SUMMARY

Detail-driven coordinator with a strong background in operations, event scheduling, vendor relations, and on-site logistics. Skilled at building timelines, aligning stakeholders, and keeping deliverables moving in busy, shifting environments. Known for balancing competing deadlines, solving problems calmly, and keeping communication clear and consistent from kickoff to wrap-up. Driven by helping teams reach their goals with less friction. Currently completing the Operations Planning Professional Certificate to deepen structured project planning skills.

SKILLS

- Agile & Scrum Fundamentals
- Documentation & Record Keeping
- Vendor & Cross-Team Collaboration
- Budgeting & Resource Allocation
- Self-Directed & Cross-Functional Leadership
- Project Scheduling & Coordination
- Client & Stakeholder Communication
- Timeline & Task Management
- Process Improvement
- Content Creation Through Multiple Platforms

WORK EXPERIENCE

Fernhill Creative Studio - Content Project Manager (Contractor) **Sept 2024 – Current**

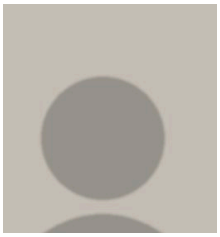

- Plan weekly posting calendars with realistic deadlines and a steady mix of content
- Maintained shared asset libraries, caption drafts, and reporting sheets across several client channels
- Drafted and scheduled 3-4 posts per week plus regular stories, and built a set of reusable cover templates for highlights
- Answered comments and messages, kept the client updated on timelines, results, and reviews, and held the line on scope so the small team never got stretched too thin.

Ember Events – Owner **January 2022 – Current**

- Run every part of the business—client intake, event planning, vendor booking, scheduling, invoicing, setup, staffing, and teardown.
- Manage events end-to-end from first call to final walkthrough, delivering on-time, high-quality results for private and corporate hosts.
- Build lasting client relationships and lead planning calls that settle the guest list, budget, theme, and floor plan.
- Handle vendor follow-ups, quality checks, and day-of changes to keep each event running smoothly for both hosts and their guests.

Corvia Inc – Executive Assistant **Dec 2023 – Mar 2024**

- Kept executive calendars, travel, and action items on track while triaging competing daily requests for several team leads.
- Ran purchasing and restocking for office supplies so that materials were always on hand and within the set budget.
- Kept meeting notes, status updates, and shared files organized to support quick decisions and quarterly planning cycles.

WORK EXPERIENCE

Delmar Tax Partners – Sales Administrative Assistant **Feb 2023 – Dec 2023**

- Logged outreach with dozens of prospects each day, supporting the lead pipeline and steady follow-through with clients.
- Maintained clean records of client status, payments, and contact history, feeding into process improvements.
- Partnered with internal teams to keep project hand-offs smooth and timely between sales and operations staff members.

Capitol Print Systems – Administrative Assistant **Nov 2020 – Dec 2022**

- Processed customer print orders, service calls, and invoices with close attention to accuracy.
- Maintained order records across several systems to keep data accurate and teams in sync.
- Built and updated internal logs to support inventory control and smooth task hand-offs.

COMMUNITY AND PROFESSIONAL DEVELOPMENT

Member Coordinator, Riverside Makers Circle | April 2024 - Current

- Take part in monthly peer-mentoring circles and skill-sharing sessions alongside fellow local small-business founders.
- Help plan and run member events that encourage connection, learning, and long-term business partnerships across the wider region.
- Share monthly updates on member engagement, upcoming meetups, and new program progress

Founder & Organizer, Open Door Project Collective | April 2024

- Started a volunteer collective that pairs neighbors with hands-on community improvement projects throughout the year.
- Coordinate logistics for each meetup, including venue booking, agendas, outreach emails, and guest speaker scheduling and prep.
- Run working sessions where participants shape ideas, form small project teams, and measure visible results over several months.
- Keep the group welcoming and well organized, with a focus on follow-through, outcomes, and professional growth.

In Progress: Operations Planning Professional Certificate (Hartwell Academy) | Expected Completion: December 2024

- Completing a multi-course online certificate from Hartwell Academy that covers the basics of traditional and agile planning, including scope, risk, scheduling, budgeting, stakeholder communication, and delivery best practices.
- Building hands-on experience drafting project charters, status reports, and applying Kanban and Scrum methods—producing sample artifacts.
