ABOUT ME

I am a dependable team player with strong communication, guest service, and time management skills. I pick up new systems quickly and pay close attention to detail. I do my best work in busy settings where I can juggle several tasks and keep things running efficiently. I'm committed to making every customer feel welcome, and I stay calm, organized, and ready to adapt when plans change.

EXPERIENCE

Corvia Inc - *Executive Assistant*

December 2023 - Current

- Coordinated calendars, travel, and all meeting logistics, keeping busy weeks on track and balancing urgent requests in a fast-moving front office.
- Monitored office supplies and placed restocking orders so the team always had what it needed on hand for the week.
- Kept clear, accurate records and filing systems in line with company policies and retention rules.
- Helped with team errands and day-to-day tasks, including lunch orders, room bookings, and package pickups to support a smooth workflow.
- Partnered with other departments to refresh customer-facing handouts, making sure the content was clear, current, and easy for readers.
- Adapted quickly to new priorities and solved problems on the spot to keep daily operations moving smoothly.

Delmar Tax Partners - *Sales Administrative Assistant*

Feburary 2023 - December 2023

- Answered a steady flow of client calls and messages, taking 8-12 calls a day and replying to questions by phone and email to keep service consistent.
- Sent 50-80 tailored follow-up emails each day, showing clear written communication and a focus on building long-term client relationships.

- Logged every client conversation in the CRM, noting preferences and feedback so the team could follow up with context.
- Entered client and payment data carefully, keeping records accurate and making key account details easy for the team to find.
- Cleaned up shared tracking sheets and folders, which improved efficiency when handling client requests and daily workflow.

Chestnut Ramen House - *Team Member*

March 2022 - May 2022

- Made broths and toppings from scratch every morning, prepping enough to cover expected demand for that day and the next service.
- Followed food safety rules closely, including proper cooling, labeling, and storage of prepared items within required times.
- Opened and closed my station on schedule, making sure all prep work was finished efficiently before the lunch rush.
- Stepped in to support other stations, especially the dish pit, during rush periods and helped with closing duties to keep the kitchen running smoothly.
- Applied FIFO rotation for all stock to keep ingredients fresh and reduce waste.

Capitol Print Systems - *Administrative Assistant*

November 2020 - December 2022

- Greeted walk-in customers and routed print and copy requests to the right team member without long waits.
- Received and fulfilled orders from the front desk, phone, and email, handling a large volume of jobs with care and close attention to detail.
- Ran the register and handled payments, refunds, and end-of-day deposits while keeping every record accurate.
- Resolved customer issues on the spot, from reprints to pricing questions, so that every visit ended on a good note.
- Kept the front counter organized and efficient during busy periods, juggling several jobs while still giving friendly service.

Ridgefield Retirement Home - *Server*

August 2021 - November 2021

- Collected meal orders in person and over the phone, making sure each order was correct and on time.
- Listened to resident questions and feedback with patience and care, passing concerns along to the kitchen and dining manager to keep every meal a pleasant one.
- Sorted and filed daily meal tickets so billing and monthly invoices stayed accurate and complete.

- Covered a section of 5+ tables during lunch and dinner, giving prompt, friendly service while finishing setup and side work ahead of each lunch and dinner seating.

Sorrel- *Shift Lead*

September 2020 - August 2021

- Assembled salads, bowls, and sides for dine-in guests and delivery apps, keeping every order accurate, quick, and neatly plated to house standards.
- Ran opening and closing checklists, following food safety rules, keeping stations clean, and making sure the store was secure for the night staff.
- Counted cash drawers, handled card payments, balanced registers, logged end-of-shift deposits, and tracked food waste carefully to help control inventory costs.
- Supervised a crew of 4-5 team members, assigning tasks to keep service efficient, operations smooth, and the overall guest experience positive.

EDUCATION

The Charter School of Merriton - *High School*

Graduated June 2021
